

Brother Rice High School

Faculty/Staff Tribute Program

Tribute gifts are a unique way to remember Brother Rice faculty and staff who have had a positive impact on your lives, while supporting the Mission of Blessed Edmund Rice.

Donations made to this new program will be directed to the Brother Rice Endowment Fund. Endowment provides recurring, annual funding to attract and retain

quality faculty and staff and provide need-based tuition assistance to students on an ongoing basis.

Donations of \$250 or more to the Faculty/Staff Tribute Program will be recognized with a 4" x 6" brick paver in the name of the honoree.

See www.brrice.edu for more details about the "Buy-a-Brick" program.
