August 8, 2017

Dear Senior Student and Parents:

The faculty and staff of Brother Rice High School hope that you are enjoying a restful, relaxing, and safe summer. As we begin another school year, the enclosed information should be helpful to you.

Attached to this letter are all the required forms for students and other pertinent information and flyers detailing important dates for families these first days of school. We ask that you print the forms, fill them out and bring them to the Schedule & iPad Distribution on Monday, August 15, Tuesday, August 16, or Thursday, August 18 from 8:00 a.m. – 3:00 p.m. Students MUST turn in all required forms to receive their iPads. Please note, on Wednesday, August 17, the school will be closed for a faculty and staff retreat.

All textbooks and/or eBooks should be purchased before August 18. For questions on how to order online, please review the Textbook Ordering Procedures flyer. Students who plan to drive to school, either regularly or occasionally, must purchase a parking pass for $125. The parking pass can be bought directly from the Bookstore webstore.

The first day of school will be Wednesday, August 24, beginning at 7:50 a.m. with dismissal at 1:49 p.m. This will be an academic day and also an all school Mass day for students. A white dress shirt and Brother Rice tie should be worn.

On Friday, August 26, seniors will have their ID pictures taken. All students must wear a Brother Rice tie and a white dress shirt on this day. Seniors also must have their senior portrait taken by September 9th with our official portrait studio, Prestige Portraits. Information was mailed to your home in May. The dress code for the portrait is a white dress shirt, Brother Rice tie and dark suit jacket. In addition, no facial hair or earrings, and the student must have an acceptable haircut that meets the standards in the Parent-Student Handbook. Any questions, please call the Main Office at (248) 833-2000.

Information about the student’s Christian Service requirements is outlined in the Parent/Student Handbook and also on the back of the Christian Service Verification Form.

Every family will be expected to perform volunteer service for the 2016 - 17 school year. A minimum of 10 hours must be performed and must be completed by May 1, 2017.
• 5 hours in support of the Mother’s Club, Dad’s Club, Admissions, Alumni or Irish Nite Auction. Sign up opportunities will be posted in the parent email announcements.

• 5 hours in support of a sports team, club or extracurricular activity. Each individual team and club will track its own hours and submit them to Mrs. Greaney in the Main Office for processing.

• For those families unable to give of their time, donations of food and/or beverages for events will be considered as volunteer time.

• Non-participants will be expected to contribute $100 to Brother Rice High School. (The form is included with this packet so that you can keep track during the school year). Any hours not completed will be billed to your son’s account.

Brother Rice is partnered with Smart Tuition and all families are required to enroll online. Payments to Smart Tuition may be made via web, phone, mail, automatically withdrawn from a checking account or charged to a credit card. **Students will not be given class schedules or iPads until Smart Tuition accounts are current through the August 2016 payment and the 2016-2017 Tuition Contract is on file in the Business Office.**

I look forward to the Parent Meet and Greet Cocktail Receptions that Mr. Reidy and I will be hosting. These informal gatherings will give us the opportunity to meet many of you.

May you and your family enjoy these last days of summer vacation.

Sincerely,

Therese Jackson
Principal

Brother Rice Christian Service Program

REQUIREMENT: Each student MUST complete 20 hours of service work per academic year, three of which will be earned by student participation in our all-school service day. For FRESHMEN, another ten (10) may be completed at the school working at such functions as the Open House, the Auction, the Brother’s Brunch, the Mother-Son Mass, the Leadership Conference, etc. Hosting an 8th grader may also be applied as in-school hours, but a maximum of 5 hours is all that may be attained this way. Please note that in-school hours are an option, not a mandate. For Sophomores, Juniors and Seniors, only five (5) hours may be earned by working at the school.

Aside from the 5 hours that may be completed at school, all other hours must be accumulated working for a parish, health care facility, or charitable organization. Work with nonprofit organizations, youth sports leagues, public schools, animal agencies, family friends and neighbors usually do not qualify. Approval for Christian Service work is at the sole discretion of the Campus Minister. Approved work may be done during the summer prior to a given academic year. However, students who work additional hours in any given year may not apply such hours to the next year’s requirement. All service work must be completed by May 8, 2017, or a student will be suspended until such time as the requirement is met. Our objective is to assist the young men of Brother Rice in their Christian discipleship with Matthew 25:31-46 providing the scriptural basis for our understanding of Christian Service.

DUE DATE: ALL service work MUST be completed by May 8, 2017, or suspension will take place until work is completed.

VERIFICATION: Students must turn in a signed Service Verification form to their Theology teacher.

NOTIFICATION: Notification of available service projects will be done via School Announcements and Parent Emails.

QUESTIONS: Any questions about service work should be directed to the Campus Ministry Office at (248) 833-2270.

Brother Rice High School believes that the education of our students is a partnership with our families. We encourage parent involvement through our Parent Service Hour Program. The program is an opportunity for each family to help us accomplish our common goals in providing a solid Catholic education, a healthy, safe and attractive atmosphere in which to learn.

Each family with a student enrolled at Brother Rice is required to volunteer ten (10) service hours annually. The service hours must be completed, or scheduled (for an end-of-the-year event) no later than the first week in May and each family’s service hour card must be turned in via email or to the Administration office on or before that time. Thank you for your support and partnership in the education and formation of our students.

All course materials your student will need for the fall are available for online purchase now. Please try to place your orders before August 8th to avoid delays or back orders. You can visit our school Bookstore website (bookstore.brrice.edu) to purchase your son’s materials. You should already have documentation of the classes your son will be taking for the 2016-2017 academic school year to assist you in purchasing the required course materials. When you land on the homepage, type the course number into the search bar. Click on the course to see the required materials for that class. When applicable - **Used books will be sold on the webstore or at the Bookstore on a first-come, first-serve basis – while supplies last.**

Many classes are using an electronic book (eBook) that can be purchased online through the school webstore or at the school’s Bookstore. Once purchased, teachers will distribute a code during class which will allow your son to load the eBook on to his school issued iPad.

Some classes will be using iBooks. The links for the appropriate iBook are available on the Bookstore website. It is important that the iBook is purchased using the Apple ID that your son intends to use on his school issued iPad. You might want to look into Apple’s new “Family Sharing Program” which makes it easier to share purchases between devices and family members.

Our Bookstore website also offers Brother Rice school ties, polo shirts, lanyards, and various school supplies needed for specific classes along with other Brother Rice related merchandise. Visa, MasterCard or Discover are accepted for online payment. **Once your order is processed, your purchases will be placed in your son’s locker along with your receipt.**

You will receive notification via email once your order has been completed. This will be an easy, convenient transaction! **We strongly encourage you to place your order early.**

**PARKING PASSES** are available for purchase and can be bought directly from the Bookstore or on the Bookstore website. All licensed seniors, juniors, and sophomores may purchase a parking pass. The cost of a parking pass is $125.00.

Course materials and other supplies can also be purchased at the Bookstore. The Brother Rice Bookstore is open Monday – Friday, 9:00 a.m. – 3:00 p.m. Please call (248) 833-2330 to verify the store is open before stopping by.

If you have any questions about this process, don’t hesitate to contact me at (248) 833-2330 or via email at gonzalez@brrice.edu.

Dear Brother Rice Parent,

For your information, the following is a notice regarding the use of pesticides at Brother Rice High School and explaining the school’s asbestos management plan.

**Pesticide Use**

Pesticides are occasionally applied on school property by certified technicians as part of a pesticide management program. Parents who wish to be informed prior to any pesticide application at the school or on school grounds, should request a “Pesticide Prior Notification Form” from the Main Office at (248) 833-2000.

In certain emergencies, pesticides may be applied without prior notice, but notice will be provided following such applications. Generally, if pesticides are necessary, they are applied in the summer when no students are present in the building. If pesticides are applied during the school year, students will not occupy the area for a minimum of four hours, unless the pesticide label requires a longer re-entry period. When pesticides are applied to the school grounds, the application will not be made within 100 feet of occupied classrooms. Flags will mark the area of application and signs will be posted for 48 hours.

**Asbestos**

The Environmental Protection Agency (EPA) requires that each year, employees and building occupants, receive notification of asbestos removal or abatement activities, such as response action or inspection. Periodic surveillance and inspections will be performed as required by AHERA, the Asbestos Hazard Emergency Response Act.

Updated asbestos management plans for Brother Rice High School are available for review in the school Maintenance Office. Call Jim Burr, Director of Facilities at (248) 833-2300 for further information.

Sincerely,

Therese Jackson
Principal
