August 8, 2016

Dear Sophomores, Juniors and Parents:

The faculty and staff of Brother Rice High School hope that you are enjoying a relaxing and safe summer. As we begin another school year, the enclosed information should be helpful to you. All sophomores and juniors may pick up their class schedule and iPad, any time between 8:00 a.m. – 3:00 p.m. on Monday, August 15, Tuesday, August 16 or Thursday, August 18, 2016. Please note that Wednesday, August 17, the school will be closed for a faculty and staff retreat. Students are asked to report to the ARC and turn in their signed forms in order to receive their iPads.

All textbooks and eBooks should be purchased before August 18th. For questions on how to order online, please review the Textbook Ordering Procedures flyer.

The first day of school will be Wednesday, August 24, beginning at 7:50 a.m. with dismissal at 1:49 p.m. Note the start and dismissal times have changed. The new 16-17 Bell Schedule is attached. This will be an academic day and also an all school Mass day for students. A white dress shirt and Brother Rice tie should be worn.

On Friday, August 26, students will have their ID and yearbook pictures taken. All students must wear a Brother Rice tie and a white dress shirt. The picture order form will be handed out at iPad Distribution the week of August 15.

Every family will be expected to perform volunteer service for the 2016-17 school year. A minimum of 10 hours must be performed and completed by May 1, 2017.

- 5 hours in support of the Mother’s Club, Dad’s Club, Admissions, Alumni or Irish Nite Auction. Sign up opportunities will be posted in the parent email announcements.
- 5 hours in support of a sports team, club or extracurricular activity. Each individual team and club will track its own hours and submit them to the Advancement Office for processing.
- For those families unable to give of their time, donations of food and/or beverages for events will be considered as volunteer time.
- Non-participants will be expected to contribute $100 to the Brother Rice Mother’s Club to offset their costs.
- All parents will be asked to complete and submit a 2016-2017 Parent Volunteer Form due May 1, 2017. (The form is included with this packet so that you can keep track during the school year). Any hours not completed will be billed to your son’s account.
Information about the student’s Christian Service requirements is outlined in the Parent/Student Handbook and also on the back of the Christian Service Verification Form included below. Brother Rice has a few open seats on our Rochester bus. To reserve a spot on the bus, a bus form has been included below. Questions should be directed to Mr. Stark at (248) 833-2318. Eligible students who plan to drive to school, either regularly or occasionally, must purchase a parking pass for $125. The parking pass can be bought directly from the Bookstore or on the Bookstore website. All licensed seniors, juniors and sophomores may purchase a pass.

Brother Rice is partnered with Smart Tuition and all families are required to enroll online. Payments to Smart Tuition may be made via web, phone, mail, automatically withdrawn from a checking account or charged to a credit card. Students will not be given class schedules or iPads until Smart Tuition accounts are current through the August 2016 payment and the 2016-2017 Tuition Contract is on file in the Business Office.

I look forward to the Parent Meet and Greet Cocktail Receptions that Mr. Reidy and I will be hosting. These informal gatherings will give us the opportunity to meet many of you.

God’s blessings for you and your family to enjoy the remainder of a relaxing summer vacation.

Sincerely,

Therese Jackson
Principal

**Important Note to Parents from the Principal:**

It is sometimes difficult or impossible to reach either parent because of work/travel schedules. Hospitals have the legal right to save life or limb,” so no child’s life is in danger when a parent cannot be contacted. However, delay can occur in less than critical cases. This can happen since some hospitals feel the obligation to wait until a parent is present before initiating treatment. In some cases, even the presence of a relative, other than the parent, will not suffice, and the child must wait for treatment until the parent can be located. Although some physicians absolutely insist on direct parental permission, local hospitals may, in some cases, be willing to proceed in the absence of a parent if a WITNESSED SIGNATURE is available.

**I understand, due to the Health Insurance Portability & Accountability Act HIPPA, that information regarding my child is confidential. To ensure the best outcome for my child, this information may be shared with all school personnel.**

Brother Rice Christian Service Program

**REQUIREMENT:** Each student MUST complete 20 hours of service work per academic year, three of which will be earned by student participation in our all-school service day. For FRESHMEN, another ten (10) may be completed at the school working at such functions as the Open House, the Auction, the Brother’s Brunch, the Mother-Son Mass, the Leadership Conference, etc. Hosting an 8th grader may also be applied as in-school hours, but a maximum of 5 hours is all that may be attained this way. Please note that in-school hours are an option, not a mandate. For Sophomores, Juniors and Seniors, only five (5) hours may be earned by working at the school.

Aside from the 5 hours that may be completed at school, all other hours must be accumulated working for a parish, health care facility, or charitable organization. Work with nonprofit organizations, youth sports leagues, public schools, animal agencies, family friends and neighbors usually do not qualify. Approval for Christian Service work is at the sole discretion of the Campus Minister. Approved work may be done during the summer prior to a given academic year. However, students who work additional hours in any given year may not apply such hours to the next year’s requirement. All service work must be completed by May 8, 2017, or a student will be suspended until such time as the requirement is met. Our objective is to assist the young men of Brother Rice in their Christian discipleship with Matthew 25:31-46 providing the scriptural basis for our understanding of Christian Service.

**DUE DATE:** ALL service work MUST be completed by May 8, 2017, or suspension will take place until work is completed.

**VERIFICATION:** Students must turn in a signed Service Verification form to their Theology teacher.

**NOTIFICATION:** Notification of available service projects will be done via School Announcements and Parent Emails.

**QUESTIONS:** Any questions about service work should be directed to the Campus Ministry Office at (248) 833-2270.

All course materials your student will need for the fall are available for online purchase now. Please try to place your orders before August 8th to avoid delays or back orders. You can visit our school Bookstore website (bookstore.brrice.edu) to purchase your son’s materials. You should already have documentation of the classes your son will be taking for the 2016-2017 academic school year to assist you in purchasing the required course materials. When you land on the homepage, type the course number into the search bar. Click on the course to see the required materials for that class. When applicable - Used books will be sold on the webstore or at the Bookstore on a first-come, first-serve basis – while supplies last.

Many classes are using an electronic book (eBook) that can be purchased online through the school webstore or at the school’s Bookstore. Once purchased, teachers will distribute a code during class which will allow your son to load the eBook on to his school issued iPad.

Some classes will be using iBooks. The links for the appropriate iBook are available on the Bookstore website. It is important that the iBook is purchased using the Apple ID that your son intends to use on his school issued iPad. You might want to look into Apple’s new “Family Sharing Program” which makes it easier to share purchases between devices and family members.

Our Bookstore website also offers Brother Rice school ties, polo shirts, lanyards, and various school supplies needed for specific classes along with other Brother Rice related merchandise. Visa, MasterCard or Discover are accepted for online payment. Once your order is processed, your purchases will be placed in your son’s locker along with your receipt.

You will receive notification via email once your order has been completed. This will be an easy, convenient transaction We strongly encourage you to place your order early.

PARKING PASSES are available for purchase and can be bought directly from the Bookstore or on the Bookstore website. All licensed seniors, juniors, and sophomores may purchase a parking pass. The cost of a parking pass is $125.00.

Course materials and other supplies can also be purchased at the Bookstore. The Brother Rice Bookstore is open Monday – Friday, 9:00 a.m. – 3:00 p.m. Please call (248) 833-2330 to verify the store is open before stopping by.

If you have any questions about this process, don’t hesitate to contact me at (248) 833-2330 or via email at gonzalez@brrice.edu.

Dear Brother Rice Parent,

For your information, the following is a notice regarding the use of pesticides at Brother Rice High School and explaining the school's asbestos management plan.

**Pesticide Use**

Pesticides are occasionally applied on school property by certified technicians as part of a pesticide management program. Parents who wish to be informed prior to any pesticide application at the school or on school grounds, should request a “Pesticide Prior Notification Form” from the Main Office at (248) 833-2000.

In certain emergencies, pesticides may be applied without prior notice, but notice will be provided following such applications. Generally, if pesticides are necessary, they are applied in the summer when no students are present in the building. If pesticides are applied during the school year, students will not occupy the area for a minimum of four hours, unless the pesticide label requires a longer re-entry period. When pesticides are applied to the school grounds, the application will not be made within 100 feet of occupied classrooms. Flags will mark the area of application and signs will be posted for 48 hours.

**Asbestos**

The Environmental Protection Agency (EPA) requires that each year, employees and building occupants, receive notification of asbestos removal or abatement activities, such as response action or inspection. Periodic surveillance and inspections will be performed as required by AHERA, the Asbestos Hazard Emergency Response Act.

Updated asbestos management plans for Brother Rice High School are available for review in the school Maintenance Office. Call Jim Burr, Director of Facilities at (248) 833-2300 for further information.

Sincerely,

Therese Jackson
Principal
