BLESSED EDMUND IGNATIUS RICE (1762 – 1844)

The founder of the Christian Brothers of Ireland, Edmund Rice, was born in 1762, near the town of Callan. He was educated, married, and became a prosperous merchant, landowner and leader of Catholic activities in the city of Waterford. Edmund's wife died tragically, leaving Edmund and their daughter behind. After a number of years, Edmund contemplated life in a monastery on the continent, but a friend with connections to the local bishop encouraged him to look out upon the poor of Waterford and find his mission there, first among the youth of the city's neglected poor. The Bishop of Waterford encouraged him to begin a school for poor boys. The parents of these boys refused to send their sons to the existing Protestant school. In 1802, Edmund began his educational work in a room above a local barn and in 1803,

secured the land which was to become Mt. Sion, the first school of the Edmund Rice system.

Although best remembered for his dedication to teaching young boys, Edmund Rice also ministered to the imprisoned, opened a homeless shelter, and instituted an adult education program. Pope Pius VII gave papal approval to the Congregation in 1820. Edmund took the name of Brother Ignatius, and in 1822, Brother Edmund Ignatius Rice was elected the first Superior General of the new congregation.

Brother Edmund Ignatius Rice died on August 29, 1844, at Mount Sion, Waterford. On April 2, 1993, His Holiness Pope John Paul II formally declared Br. Edmund Ignatius Rice to be Venerable. He was beatified in Rome on October 6, 1996.

CONGREGATION OF CHRISTIAN BROTHERS

Members of the Congregation of Christian Brothers ("Irish Christian Brothers") are those spiritual sons of Blessed Edmund Ignatius Rice who are devoted to the Christian education of youth. The word "Christian" implies that they are doing the work of Jesus Christ, who began "to do and to teach." As Brothers they are spiritually united, working as a team, praying, and living together in family unity.

Blessed Edmund Ignatius Rice founded the Brothers of the Christian Schools of Ireland. The Congregation, however, soon spread to other countries. The Brothers, particularly in the United States, are descendants of many nationalities. As a result, in 1966, the Congregation officially changed its name to the Congregation of Christian Brothers in order to better reflect its international character.

The Brothers are lay religious, with vows of poverty, chastity, and obedience. Their first duty is their own personal sanctification. Each day, time is allotted for prayer, meditation, and spiritual reading.

The Brothers' education extends throughout a lifetime. The Brothers in educational ministries are in a position to give their full time attention to the education of their students.

Today, with headquarters in Rome, more than 1,000 Brothers staff schools in Ireland, England, Australia, New Guinea, India, Africa, Canada, and several South American countries, as well as in the United States. In 2005, the Brothers celebrated one hundred-twenty five years of service in North America.

The Brothers of Brother Rice are members of the North American Province (district) which conducts schools in Canada and the United States as well as ministries in South America and the Caribbean.

BROTHER RICE HIGH SCHOOL INFORMATION

School History

Brother Rice is a private, fully accredited, four-year Catholic college preparatory high school. It is an independent Michigan corporation (Christian Brothers of Michigan, Inc.) that is sponsored by the Congregation of Christian Brothers, founded in 1802 by Blessed Edmund Rice, after whom the school is named.

During the late 1950s, three laymen, Mr. John O'Hara, Mr. Bob Ryan, and Mr. Bob Cronin, recognized the need for Catholic high schools in

the growing northern suburbs of Detroit. With the assistance of the pastors of the neighboring parishes, St. Bede, St. Columban, Holy Name, St. Hugo of the Hills, and Our Lady Queen of Martyrs, and with the moral and financial support of the parishioners, the Archdiocese of Detroit was approached. Edward Cardinal Mooney, Archbishop of Detroit, asked the Congregation of Christian Brothers to come to Birmingham, and Brother Rice opened its doors in the fall of 1960.

Faculty

All are committed to educate students in the ideals of Catholic education. Over seventy percent of the teaching staff have Master's degrees and more than half of the faculty have taught at Brother Rice for ten years or more.

Colors

The official school colors are black and orange. In an effort to avoid duplicating the school colors of other area boys' schools, Br. Hueller, the first Principal, chose the present colors in 1960.

School Seal

The school seal is enclosed within a double circle which is symbolic of the eternity of God. Placed between the outer and inner circles are the names of the school and city and state in which it is located. Prominent within the circles is a Celtic cross with Celtic interlacing, symbolic of the origin of the Congregation of Christian Brothers who form part of the staff of the school. Across the top of the inner circle above the Celtic cross is the Latin inscription "Sanctitas Per Scientiam" meaning "Holiness through Knowledge". At the bottom of the inner circle is the year the school was founded. Within the center of the seal is a book with the Greek letters "Alpha" and "Omega" – the beginning and the end – an ancient symbol for Jesus Christ.

School Logo and Nickname

The school logo is the Warrior Head and nickname is the Warriors. In 1969, the late Mr. Sheldon Brodley, a football coach and longtime friend of Brother Rice, asked Jack Flechsig, Art Director for WXYZ-TV, to design a new logo. No variation of this trademarked logo is allowed, and only this logo may be used on the back of the official Brother Rice leather-sleeved jacket.

School Song

*"Hail our Warriors. Hats off to thee.
To our colors, true we will ever be.
Orange and black, united we stand.
Working ever...
Failing never...
Pulling for our team together
Warriors we think you're grand
G-R-A-N-D ... Grand!"*

ENROLLMENT

Brother Rice High School provides an Edmund Rice education to the young men of Metro Detroit and its surrounding communities. Ninth grade applicants must complete an application, take the HSPT entrance exam, and interview with the Director of Enrollment. A committee evaluates each applicant and make the admissions determination. Students who are denied admission, may submit an appeal (contact the Director of Admissions for more information).

Transfer students must complete an application, provide a current transcript, list of courses, and standardized test scores in order to be considered for admission. Students who are denied admission may submit an appeal (contact the Director of Enrollment for more information).

Admission to Brother Rice High School is extremely competitive and students are only accepted as spots are available. Please be sure to turn in all documents by the published deadlines.

ACADEMICS

Brother Rice High School is a college preparatory school, thus the curriculum is designed to prepare students for studies on the university level. Brother Rice students are expected to strive to do their best and to maintain a level of achievement consistent with this goal.

Brother Rice utilizes PowerSchool, a web-based student information system. It is the responsibility of both students and parents/guardians to use the PowerSchool software to monitor academic progress. PowerSchool can be accessed through the Brother Rice website or directly at p.brrice.edu. Students or parents needing assistance with PowerSchool should contact the school's technology department.

1. Textbook Purchases

Books and supplies are not included in the tuition charges. All books and supplies are available online at bookstore.brrice.edu and should be purchased before August 15th to ensure availability.

2. Quarter Grades

The Quarter Grade for each course is determined by formative and summative assessments.

3. Semester Exams

In January and June, cumulative semester exams will be given. Exam dates are published at the beginning of the school year. Attendance for all semester exams is mandatory. No student will be allowed to take an exam before the scheduled time. If a student is absent from an exam due to illness, he must provide a doctor's note. With a doctor's note semester exams can be rescheduled and made up for full credit. If semester exams are missed due to an extreme family emergency, the administration may grant permission to make up exams for full credit. Semester exams not taken by a date set by the administration will result in a failing grade being entered as the exam grade. As part of the academic requirements, all students must take the required exams.

If a student's financial account is carrying an unpaid balance, that student's semester exam will not be graded until all financial requirements have been met with the Business Office.

4. Senior Exam Exemption Policy

Seniors may be exempt from their second semester exams in courses they have a 90% or better in and earned a 90% or better in the third quarter of that course.

No exam may be exempted if Christian Service requirements are not met by the published deadline.

5. Semester Grade

At the end of the second and fourth quarters, the student will receive a semester grade for each course. The semester grades are the grades posted on the transcript and used to calculate the cumulative grade point average (GPA). The semester grade is determined by the average of the two quarter grades and the grade earned on the semester exam.

In order to meet the requirements for promotion to the next grade, students must pass and earn at least six (6) credits per year. Credit is awarded when the student earns a passing grade (60% or greater or "P") in a particular course. Credit is not given for courses failed. At the administration's discretion, failed courses may be retaken at an institution approved by Brother Rice High School. In the event that a student fails a course or fails a retake course and thus is short credits, he may be required to withdraw from Brother Rice.

6. Summer School

Summer school is strongly encouraged for courses in which a student earns a "D" semester grade. An "F" semester grade means a loss of 0.5 credit in that course. In this case, it is mandatory the student make up the credit during the summer months in a recognized summer school program. Because of the limited time available for study during the summer, usually only one full credit or two half-credit courses may be taken. A summer school course that is a repeat of a course failed during the school year will appear on the student's permanent record as a summer school course and will be entered as no more than a "C" grade in the student's GPA. The credit for the course will be added to the student's total credits. In the event a failing semester grade is not remediated during the summer, the Academic Review Board may require the student to withdraw from Brother Rice.

If a student is given permission to take a supplementary course in a recognized summer school program, the course title, credit and grade will be recorded on their transcript if they wish. However, a summer school grade will not be included in his GPA. Courses required for graduation, including elective courses, must be taken at Brother Rice during the regular school year.

Brother Rice summer school is limited to remedial courses required or recommended for incoming freshmen. Tuition for English and Mathematics courses will be charged.

7. Transcript and Credit Policy

- a. Students may not be re-admitted to Brother Rice High School if they are deficient in credits unless arrangements to make up the credits have been made to the satisfaction of the Administration.
- b. Deficient credits must be made up by arrangement with the Brother Rice administration.
- c. A student must ordinarily maintain a weighted cumulative GPA of 2.00 per semester for re-admittance to Brother Rice High School.
- d. A student must have received a failing grade for a semester course before retaking the course for credit. In order to retake a failed course, the student will be required to obtain permission from the administration.
- e. If a transfer student earns a WF (withdrawal failure) in any course taken outside of Brother Rice, the "F" will be included in the student's transcript and used in the calculation of their GPA.
- f. Students receiving a grade of "F" for a semester course will not have the "F" removed from their transcript. When the failed course is retaken, the grade earned for the retake will be added to the student's transcript.
- g. High school courses taken in middle school will appear on the Brother Rice transcript for 9th grade placement purposes only. The courses may not be awarded credit and will not be used in GPA calculations.

8. Christian Service

The three-fold purpose of Catholic education is to teach the gospel message, to build community, and to foster service to others. At Brother Rice High School, the Campus Ministry

Office provides concrete opportunities for all students to build community by serving others as Jesus did.

Brother Rice requires each student to complete twenty (20) hours of Christian Service work per school year, three (3) of which will be earned by participation in the all-school service day. Freshman may complete another ten (10) hours through working in-school functions such as the Open House, the Auction, the Brother's Brunch, the Mother-Son Mass, the Leadership Conference, etc. Five (5) of those in-school hours may be applied from hosting an eighth grader. Those in-school opportunities are not mandated. Sophomores, Juniors and Seniors may only complete up to five (5) of the required hours by working in-school functions.

Service hours are to be performed working for parishes, hospitals, nursing homes, charitable organization, etc. Work with certain non-profit organizations, youth sports leagues, public schools, animal agencies, etc. do not qualify. If there is a question, pre-approval can be obtained from the Campus Ministry Office. Work done for family members, neighbors or other individuals, although constituting Christian service, may not be applied toward the service work requirement. Approved work may be completed during the summer prior to a given academic year. Students who work additional hours in an academic year may not apply those hours toward the next year's requirement.

Signed Service Verification forms are due to the student's Theology teacher. Students who do not complete their service hours by the due date will be suspended from school until the required service hours are completed. Seniors may not participate in graduation ceremonies unless all service hours are completed.

9. Testing Program

During the academic school year, Brother Rice administers the following standardized tests:

1. Eighth graders interested in attending Brother Rice High School are given the Scholastic High School Placement Test in November, December, February or May.
2. Freshmen take the PSAT 9 which establishes a baseline for students' college and career readiness.
3. Sophomores take the PSAT, which is a pre-SAT test.
4. Juniors also take the PSAT, which serves as the National Merit qualifying exam. They are also advised to take the American College Test (ACT) and/or the Scholastic Aptitude Test (SAT I) in the spring of their junior year. Interest inventories and career assessments are available at a cost in the Guidance Department.
5. Seniors may take the ACT and/or SAT I exams in the spring prior to their senior year or in the fall of senior year. Certain selective colleges require the SAT II Subject Tests. Students should check with the school(s) they hope to attend to determine if SAT II tests are required. Advanced Placement Test, which are taken for possible college credit, are administered in May. Brother Rice is a regional testing center for the ACT and SAT exams in the fall and spring each year. Registration materials are available online at act.org or collegeboard.com

10. Academic Grades

The following grade scale will be used by all classes at Brother Rice High School:

<u>Letter</u>	<u>Percent Range</u>	<u>Quality Points</u>
A	90 – 100	4.0
B	80 – 89	3.0
C	70 – 79	2.0
D	60 – 69	1.0
F	0 – 59	0.0

Gradebooks will automatically round up for 0.5 and above. For example: 83.6% becomes an 84% but a 79.4% will round down to a 79%.

Quality Points are used to compute the student's grade point average. Courses designated as Honors or AP will carry an added one-half (0.5) quality point per course. These extra quality points, added to the GPA, constitute a "weighted" GPA. Honor points are not awarded for any grade below a 70%.

Grade point averages (GPA) are computed for each quarter and will appear along with the current GPA on each report card. The cumulative GPA, based on the semester grades earned during the four years at Brother Rice, is the only GPA recorded on the permanent academic record.

The GPA is computed according to the following formula:

$$GPA = \frac{\text{Total Quality Points}}{\text{Total Ranking Credits}}$$

For example: Student X has earned the following semester grades:

English	90%	0.50 credit
Math	73%	0.50 credit
History	88%	0.50 credit
Science	67%	0.50 credit
Theology	75%	0.50 credit
Foreign Language	92%	0.50 credit
		3.00 credits

The Quality Points for each grade are multiplied by the credit for the course:

English	4.0 x 0.50	2.00
Math	2.0 x 0.50	1.00
History	3.0 x 0.50	1.50
Science	1.0 x 0.50	0.50
Theology	2.0 x 0.50	1.00
World Language	4.0 x 0.50	2.00
		8.00

Total Quality Points/Total Ranking Credits:

$$8.00/3.00 = 2.67 \text{ GPA}$$

11. Academic Honors and Awards

Academic excellence is acknowledged each year at an awards ceremony. Departmental and extra-curricular activity awards are presented to students at this event as well as the students who meet the Honor Roll requirement:

- a. A Honor Roll: GPA of 3.650 or higher.
- b. B Honor Roll: GPA of 3.000 to 3.649

For a student to be eligible for the Honor Roll, all grades must be 70% or higher.

12. Valedictorian, Salutatorian and Senior Awards

Under ordinary circumstances, the Valedictorian is the graduating senior with the highest weighted cumulative grade point average after the seventh semester of study at Brother Rice and the Salutatorian is the graduating senior with the second highest weighted cumulative grade point average after the seventh semester of study. However, level of difficulty and number of

courses taken may be used as criteria for selecting Valedictorian and Salutatorian.

In addition to the honoring of the Valedictorian and Salutatorian, seniors are presented with various awards and medals at graduation. Seniors graduating with a cumulative GPA of 3.40 or higher and have not earned any grades lower than a 70% are designated as graduating *with honors*.

The following conditions must be met for eligibility of the above honors:

- a. A student must have completed a minimum of five (5) consecutive semesters at Brother Rice.
- b. A student must be a model of exemplary behavior with no major disciplinary infractions.
- c. Overall involvement in the school will be considered.

These honors may be rescinded at any time up to and including after the graduation ceremony for any violation of campus rules or the Student Code of Conduct.

13. Academic Board and Academic Probation

The Academic Board, composed of the Principal, the Vice Principal, the Dean of Student Formation, the Director of Guidance, the Athletic Director, the Band of Brothers Director and the ESE, meets quarterly in order to evaluate students who are struggling academically and make suggestions to support students with poor academic grades. The Board may require any student whose overall or current GPA is below a 2.00 to attend mandatory study hall and/or study lunch during the school day.

Academic Probation signifies that the student's enrollment at and graduation from Brother Rice may be in jeopardy. A student will be placed on Academic Probation for the next quarter or semester immediately following any quarter in which the student receives below a 2.00 in weighted grade point average, has two or more failures or is recommended by the Academic Board. A support plan will be developed to promote the improvement of grades. Students on Academic Probation may be ineligible for participation in sports, extra-curriculars and/or other student activities.

14. Grade Availability

Students and parents/guardians are encouraged to monitor grades via PowerSchool. In the event an official grade report is required, students and/or parents/guardians may contact the Guidance Department.

15. Parent/Teacher Conferences

Parent/Teacher Conferences are held two times a year. Parents/guardians are encouraged to monitor their son's grades on PowerSchool throughout the school year and may contact teachers at any time.

16. Honors Courses

Students are encouraged to apply themselves academically throughout the school year to earn placement into an honors course. Please see a counselor for specific requirements in each core academic area.

17. Advanced Placement (AP) Courses

The rigor of curriculum and instruction in an AP course is seen as a predictor of college success. Many colleges and universities require applicants to have a certain number of AP courses on their transcripts as they apply for admission. Exams are scored on a range of 1-5. Each college or university decides on the awarding of college credit based on their own criteria. Generally, a score of 3 or better is considered a passing score and may be awarded college credit. Grades for AP courses are calculated with an

additional half quality point for each course. The following conditions also apply:

- a. Students must meet the criteria to enroll in an AP course and must sit for the AP exam.
- b. There is an AP exam fee associated with each AP exam that is non-refundable. Students will be billed through Smart Tuition for any AP courses enrolled in.
- c. Students who do not earn a score of 3 or above on AP exams may be excluded from future participation in the AP program.
- d. An AP exam score below a 3 may result in loss of AP designation on the student's transcript.
- e. Students who miss an AP exam must make up the exam on the assigned date and pay any additional fees associated with the make-up exam.
- f. A senior may be denied participation in graduation for failure and/or refusal to take an AP exam.

Additional information on the AP program may be found at: <https://apstudent.collegeboard.org/exploreap?navid=bf-apst>

18. Dual Enrollment in College Level Courses

Students are encouraged to take dual enrollment courses at Lawrence Technological University, Marygrove College and University of Detroit Mercy. Students should see the Vice Principal for information and assistance.

19. Graduation Policy

A graduation ceremony is a public celebration of a student's successful completion of a published list of school requirements and attendance is mandatory. If a student does not successfully complete the academic requirements for graduation, the student will not be allowed to participate in the commencement ceremony.

To participate in graduation exercises, which includes, but are not limited to, the Senior Farewell Assembly, the Baccalaureate Mass and the Commencement Ceremony, a student must fulfill the school's academic, disciplinary, Christian Service and financial requirements. In order to receive a diploma at the Commencement Ceremony, a student must participate in all graduation exercises and have complied with all rules and regulations associated with the ceremonies.

A student is eligible for graduation only if all tuition, fees, and financial obligations have been met to the satisfaction of the Business Office.

20. Course Offerings

A Course Description Handbook is available to aid the student and his parents/guardians in course planning and selection.

An elective course is defined as a non-required course chosen by the student. If this course is selected to fulfill the course requirement for a particular year, it must be completed. A student may not drop a required elective course. A distinction is made between academic electives (mathematics, science, English, etc.) and enrichment electives (band, drama, art, etc.). A student may take no more than one enrichment elective per year to meet the course requirements for a particular year. Elective courses are designated as academic or enrichment on the course registration form. In order to take a seventh academic course in sophomore, junior, or senior year, a student must have a cumulative GPA of 3.0 or higher.

21. Course Selections and Student Schedules

During February, students select their course of study for the next school year. Parental approval and faculty approval are required for the program of study chosen by the student. Once students have selected their programs of study, their schedules of classes are processed by computer.

Changes in student schedules are rarely made and only for serious academic reasons. Consequently, students should choose their courses with care. A fee is charged for a change in schedule.

For reasons related to health and wellbeing, all students are required to have a lunch period.

22. Withdrawal from Courses

A student may not withdraw from a required course. This includes an elective course taken as one of the six courses required each semester.

In the event a student needs to drop a course, he should contact the Vice Principal.

GRADING

A. Philosophy

We believe ...

- Our system of grading should be timely, specific, fair and accurate.
- Grades should be based on a well-defined set of standards.

- Grades should be an accurate measure of a student's ability to demonstrate understanding.
- Students should have a clear understanding of learning objectives.
- Criteria that are not a direct measure of student learning, such as work habits and behavior, should be reported separately from the academic grade.
- Assessments are critical to the teaching and learning process.

B. Purpose of Assessment

An assessment is defined as any instrument that is able to indicate or provide feedback on student achievement or performance. The purpose of assessment may be summarized as follows:

1. To provide information to students in regard to their proficiency towards mastery of the standards. In addition, it provides information for self-evaluation and the incentives to learn.
2. To provide information to teachers on the students' level of mastery of the content/skill.
3. To allow teachers to use assessment data to plan instruction that will meet the needs of students.
4. To communicate information to parents about student achievement and performance in school.

C. Types of Assessments

While assessments will take many forms and types, they may be grouped under two broad categories.

Formative

Whenever a student learns new material, he or she needs time to practice and gain familiarity with the material. It is expected that the student will make mistakes during this learning process. Any work done during this learning period is considered *formative*. The purpose of a *formative* assessment is not to judge a student's final competency on a topic or unit, but to evaluate where he or she is in the learning process, diagnose any problems, and motivate and help the student learn the material. Formative assessments also inform the teacher of learning areas that may need reinforcement or re-teaching.

Summative

After a student has had sufficient instruction and practice on a topic, including assessments of a formative nature, it is then reasonable to judge mastery of understanding, content or skills. The purpose of a summative assessment is to evaluate how well a student knows and understands the material after sufficient engagement and practice with it.

Assessments are *Formative* or *Summative* based on their intended use and purpose and not by form. A quiz for example, may be formative if the teacher is having the students use new concepts to ascertain their level of understanding. A quiz would be a summative assessment if used at the end of a learning section or curriculum chunk after the students have had adequate instruction and practice. In the same way a trial test is formative, while an end of chapter test is summative. Projects contain both formative and summative elements. They include the ongoing nature of practice, reflective thinking and reworking, before the final summative rendition. Homework is mainly formative in nature as students get familiar with or reinforce what was learned in the classroom

D. Purpose of Grades

A grade is a recorded score derived from an assessment or assessments. The purpose of grades may be summarized as follows:

- 1. To provide information to students in regard to their proficiency towards mastery of the standards.
- 2. To provide information to teachers on the students' level of mastery of the content/skill.
- 3. To communicate information to parents about student achievement and performance in school.
- 4. To document student performance for transcripts and to evaluate the effectiveness of school programs

E. The Grade Composition

In order to represent an accurate measure of what a student knows, understands and is able to do, the academic quarter grade needs to be based primarily on work that is evaluated for appropriate content, understanding and correctness, at a time when the student has had sufficient instruction and practice to be responsible for the material. Summative assessments will therefore be the primary constituent of the quarter grade.

No behavior and conduct attributes will be included in the academic grade.

F. Gradebook Updating

Summative assignments will be entered into the gradebook within seven days of collection.

A repeat of ineligible activity will result in exclusion for the rest of the current grading period. Future eligibility will be determined at the end of the grading period.

If a student is unable to attend school for any reason, it will affect that student's eligibility to participate in extra-curricular. Refer to **Absences and Extra-Curricular Activities** for more information.

These standards must be maintained for continuing membership.

G. Missions and Retreat Program

The Congregation of Christian Brothers operates schools in Peru, and other needy areas throughout the world. Because the students in these areas are unable to pay tuition, the schools of the North American Province of the Brothers help finance the operations. Students are asked to help maintain these missions on a voluntary basis, in charity and self-sacrifice, through the mission collection in their Theology classes.

Brother Rice has a retreat program that offers students the opportunity to enhance their faith life and deepen their relationship with God. At the same time, students are challenged to examine their own lives and values, and to become better acquainted with their classmates. All students have the opportunity to attend retreats each year: Freshmen and sophomores have class retreats and juniors and seniors are offered the Kairos retreat experience, an intensive four-day overnight retreat.

H. Prayer

As a Catholic school, Brother Rice requires all of its students to regularly participate or demonstrate respect during group prayer before school, before each class and at the end of the school day. In addition to group prayer, the school chapel is available throughout the day for individual prayer. Any student may also use the school's interfaith prayer room for individual prayers appropriate times with approval from the administration.

I. Student Records

Brother Rice complies with the Family Educational Rights and Privacy Act (FERPA). Parents/guardians and eligible students (students who reach the age of 18) have the right to inspect and

review the student's education records maintained by Brother Rice. They also have the right to request Brother Rice correct records which they believe to be inaccurate or misleading. If Brother Rice decides not to amend the record, the parent/guardian or eligible student then has the right to a formal hearing. After the hearing, if Brother Rice still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

STUDENT REGULATIONS

An environment of mutual respect for the rights of others must prevail for Brother Rice to fulfill its mission and so students are expected to conduct themselves as Christian gentlemen who respect themselves and their teachers, as well as the rights and property of their fellow peers. Students are encouraged to form, hold, discuss and express their own beliefs and opinions. However, a student's exercise of free expression must not interfere with the rights and dignity of other students, and all students must be able to learn and grow in an atmosphere of mutual respect.

By enrolling at Brother Rice, both students and parents agree that the student will comply with all regulations and disciplinary standards that are now in effect or which may become effective during the student's enrollment concerning conduct, dress, attendance and official vacation periods and that the student will fulfill all academic requirements.

A. ATTENDANCE

ATTENDANCE HOTLINE
24 hours

248.833.2060

It is the student's, parent/guardians' and the school's responsibility to help ensure the student arrives to school safely and on time, promoting the growth and development of the student. Attendance is paramount in that growth and development and thus, Brother Rice expects students

to be present in school for every scheduled school day. It is the school's responsibility to identify students with poor attendance early. If a student is deemed to have an attendance issue, the school will act accordingly based upon the type of absences and other factors involved, which may include the involvement of the Oakland County Truancy Department.

1. Regular and punctual attendance for each school day and each class is expected. The warning bell sounds at 7:40 a.m. and students are expected to be seated in their first period by 7:50 a.m.
2. Any student who accumulates five (5) excused absences may be required to have a meeting with his parents/guardians and the Dean of Student Formation. After reaching ten (10) excused absences, a doctor's note or court papers may be required to excuse any further absence(s). Subsequent absences may result in the student being reported to the Oakland County Truancy Department.

Any student who accumulates two (2) unexcused absences may be required to have a meeting with his parents/guardians and the Dean of Student Formation. After reaching six (6) unexcused absences, the student may be referred to Oakland County's Truancy Department.

In addition, the student is subject to receiving a failing grade for all courses affected by non-attendance. Parents/guardians/students may appeal the loss of credit to a Disciplinary Committee. Following a review, the Principal's decision is final. A student with excessive absences may be dismissed from Brother Rice High School or prohibited from registering for the next school year.

3. Absence Due to Illness

It is the parent/guardian's responsibility to call the Attendance Hotline by 8:30 a.m. each day the student is absent.

In the event of extended illness (3+ days), a doctor's statement will be required when the student is able to return to school and is to be given to the Dean of Student Formation.

4. Excused Absences for Reasons Other than Illness - All or Part of the Day

Any time the student is absent from school, whether part or a full day, for reasons other than illness, the parent/guardian must notify the Dean of Student Formation. The following qualify as excused absences:

- Death in the family
- Observance of a religious holiday
- Previously approved school sponsored events
- Medical appointments with documentation
- Court appearance with documentation
- Weather related
- College visits (refer to part 11)

Appointments with doctors and dentists should be scheduled after school hours whenever possible. If an appointment must be made during school hours, the student and parent/guardian procedures are as follows:

- A signed parent/guardian note or phone call must be submitted to the Attendance Officer by 7:50 a.m.;
- The Attendance Officer will notify the affected teacher(s) of the absence through PowerSchool;
- The student will report to the Main Office to sign out.
- Non-driving students must be signed out with the Main Office by their parent/guardian. The school will not release a student to anyone other than the individual(s) named in the student's record.

- Students will not be allowed to sign out of school prior to a Mass or school-wide assembly.

For re-admittance to school:

- The student must sign in with the Attendance Officer and submit a note from the doctor (on office letterhead or prescription slip).

The school reserves the right to determine the legitimacy of an absence and whether it will be counted as excused or unexcused.

5. Unexcused Absences

An unexcused absence indicates a student was absent without a legitimate reason or prior permission for part or a full day. This may include being absent for reasons not mentioned above, skipping class, skipping school or leaving campus without permission.

The school does not condone absences for the purposes of extended holidays or vacations, non-Brother Rice academic/athletic camps or for Christian Service hours. **Students should speak with the Dean of Student Formation well in advance of any absence not mentioned in Part 4 to work out details and absence type.**

It is the student's responsibility to make arrangements for school work beforehand and will be advised of possible academic consequences. Regardless of the absence length, teachers are not obligated to administer make-up assessments and/or assignments or accept work distributed and/or collected during any unexcused absence(s).

6. Falsification of Absences

Forging a parent/guardian's signature on a note or other communication, altering a note or communication in any way or making/having someone else make a phone call to the school in which the caller falsely claims to be a parent/guardian is illegal and dishonest. Moreover, notes giving false reasons for absence or requests to be off campus are also dishonest. Students incur disciplinary consequences for any and all of the above.

7. Absences and Extra-Curricular Activities

- Students absent from school may not attend or participate in an extra-curricular activity or school function on the day of the absence.**
- Students who become ill at school and go home sick may not attend or participate in any extra-curricular activity later that day.
- Students leaving early or arriving late to school must attend at least four (4) periods to be eligible to attend or participate any extra-curricular activities that day.
- Students who arrive late to school the day following any athletic event or extra-curricular activity may receive a detention and may not be able to attend or participate in a sport practice or extra-curricular activity later that day.

8. Absences and Assignment Credit

- When absent, students are expected to check Schoology for missed work and pertinent information for their classes.
- Students are allowed one additional school day for every excused absence to make up and submit missed work. Teachers, at their own discretion, may make arrangements for additional time. Students failing to submit/make up work in the appropriate amount of time will receive a grade of 50%.
- If a student is absent the day of an assessment and/or assignment due date and the student was informed in class of the assessment and/or assignment prior to his

absence, the student should expect to take the missed assessment and/or turn in that assignment the day he returns to school.

- A student who has an unexcused absence or who "cuts" a class period may receive a grade of 50% for classwork, quizzes, or tests missed and will be subject to suspension up to including expulsion.

9. School Mass and Retreats

Participation in school retreats and at Mass is an integral part of the formation of the Brother Rice student and therefore attendance and participation is required.

Students will not be allowed to sign out of school prior to a Mass or school-wide assembly.

10. Field Trips

Students approved to attend a field trip must present a completed official permission form to the sponsoring teacher before the posted deadline. The permission form must be signed by the parent/guardian and by the teachers whose classes will be missed. Parental/guardian permission to attend off-campus events will not be accepted over the telephone or via e-mail.

11. College Visits

Students are encouraged to schedule visits to prospective universities or colleges during Brother Rice school holidays. When scheduling during a holiday period is not feasible, the student must complete an Absence Notification Approval Form for such a visit and return it to the Dean of Student Formation. Written verification of the visit is required from the admission office of the school visited and must be turned into the Dean of Student Formation upon the student's return otherwise the absence will not be excused. College visits may not be excused for the purpose of exam exemptions and may not be taken during the month of May. The number of visits that may be excused are based on grade level and any beyond the guidelines may be considered an unexcused absence.

- For Sophomores, one (1) college visit will be excused;
- For Juniors, three (3) college visits will be excused;
- For Seniors, five (5) college visits will be excused

12. Signing in or out of school

- After classes have begun a student must sign in with the Attendance Officer anytime he arrives on campus.
- Students will not be permitted to leave prior to the end of the school day without written permission and a dismissal pass.
- Any time a student leaves campus prior to the end of the school day, he must sign out with the Main Office. **A student will not be allowed to leave campus unless he has parental/guardian permission to do so. If their schedule allows, students cannot be excused early without a release form on file with the Dean of Student Formation.**
- Students will not be allowed to sign out of school prior to a Mass or school-wide assembly.
- Non-driving students must be signed out with the Main Office by their parent/guardian. The school will not release a student to anyone other than the individual(s) named in the student's record.

13. Students Becoming Ill at School

- If a student becomes ill during the school day, his parent/guardian will be contacted by the school.
- If it is deemed the student is too ill to return to class, the parent/guardian will be contacted to pick up the student promptly regardless whether the student drives to school or not.

Medication will only be dispensed by Brother Rice through the Attendance Officer with written permission by the parents/guardians and a signed doctor's note. See the Student Health section for information.

14. Lateness

Lateness affects not only the student who is late, but also has a negative effect on learning environment the teachers are creating and everyone within that environment.

Students are expected to be in the classroom and seated when the bell rings otherwise are considered late. Students who arrive to class after the bell must report to the Dean of Student Formation for an Admit Slip where the legitimacy of the lateness will be determined.

Lates are calculated in total on a semester basis. Students with excessive lates will be subject to the following consequences:

- 3 Unexcused Lates: one (1) detention
- 5 Unexcused Lates: Saturday detention and mandatory parent/guardian meeting
- 8 Unexcused Lates: one (1) in-school suspension
- 10 Unexcused Lates: suspension from school and extra-curriculars until the Disciplinary Committee has considered the student's future at Brother Rice

If a student missing more than 20 minutes of any class period for any reason, it will be recorded as an absence by the Dean's Office. Reasoning and documentation will determine the type of absence.

15. Perfect Attendance

A student is considered to have perfect attendance if:

- The only missed school days are due to school approved events
- They have no Unexcused Lates

16. Visitors on Campus

Students are not allowed to have visitors on campus without prior approval from the Dean of Student Formation.

B. DRESS CODE AND GROOMING REQUIREMENTS

The dress code and grooming of students shall reflect modesty and good taste and shall not be disruptive of the classroom atmosphere or educational program of the school. Final judgment on any questions of appearance and the interpretation of the dress code and grooming requirements will be made by the Dean of Student Formation. At the discretion of the Dean, a student who is in violation of these requirements may not attend class and may be sent home or a parent/guardian may be called to bring proper attire. No refund will be given to any student who is asked to leave a Brother Rice function due to violation of dress code and/or grooming.

Grooming

1. Hair shall be well groomed and of a length so that the natural lay of the hair does not touch the collar of the uniform shirt in the back and does not touch the eyebrows in the front. The length, consistency of length and overall neatness and appearance are the main criteria. Pony tails, beads, rubber bands, hair ties, other accessories, etc. are not permitted. No hairstyles that draw undue attention to the student are permitted.

Haircut sweeps will be conducted in addition to daily spot checks to ensure compliance. Students determined to need a haircut will be given three (3) calendar days to get a haircut and report to the Dean of Student Formation for inspection. Failure to do so will result in detention. Continued disregard for the hair policy may result in Saturday detention up to and including suspension.

2. Students are to be clean-shaven at all times: no beards, mustaches or sideburns extending below the bottom of the earlobe are allowed. Students needing a shave will be provided

shaving materials for \$5.00, will shave and will receive a detention. Subsequent offenses will result in Saturday detention.

Meeting the dress code and grooming requirements sloppily does not constitute compliance. In all matters regarding the appearance of students, the decision of the Dean of Student Formation is final.

C. STUDENT CODE OF CONDUCT

Brother Rice students are accountable for the Student Code of Conduct at all times, on and off campus. They must understand that their conduct is a reflection of them self, their family and the school community. Moral and courteous behavior, therefore, is expected not only in the classroom and hallways of the school, but also in the immediate neighborhood, on school buses and at all school functions, whether on or off campus. In keeping with the philosophy that a school is as good as the reputation of its students, disciplinary action up to and including expulsion may be implemented in response to any off campus behavior that would discredit the good name of Brother Rice High School.

Repeated minor infractions, normally considered as single-detention offenses, may result in multiple detentions, Saturday detentions, suspensions up to and including expulsion.

Whenever a student commits a disciplinary infraction, it is entered into the student's disciplinary record together with the assigned consequence for that infraction. The nature, severity and number of instances the student has committed that infraction determine the number of detentions, the number of days of suspension and/or expulsion. All decisions concerning student discipline, including but not limited to, suspension up to and including expulsion are at the sole discretion of the school.

The provisions of this Student/Parent Handbook, especially the infraction descriptions in this section, provide due notice as well as clear and adequate warning to each student and his parents/guardians of the school's expectations and requirements with regard to student conduct and the consequences for misconduct. No further warnings should be needed or given.

According to the standards, policies and expectations of Brother Rice High School, the behaviors are deemed unacceptable and subject to consequences befitting the severity of the violation imposed by the Dean of Student Formation. These consequences include detentions, Saturday detentions, suspensions and/or expulsion as determined by the Principal, as well as any other appropriate consequence for the infraction. This list of behaviors is not intended to be all-inclusive, but is intended to provide examples of unacceptable behavior.

Student Identification Cards

At the beginning of the year students are issued a student identification card. This ID card must be worn on a lanyard around the neck by students at all times while on campus and at all school-related activities and sporting events. ID cards are required for lunch purchases on account and for borrowing media or technology equipment from the Academic Resource Center. Failure to produce an ID card when requested by a school employee or supervising parent/guardian will result in disciplinary sanction.

If a student forgets their ID card, it is their responsibility to report to the Dean of Student Formation before first period for a temporary ID card. If a student comes prior to first period, there will be no consequence. If a student is found not to have an ID card after the beginning of first period, they still must get a temporary ID card and will receive a

detention. If a pattern develops of a student not having their ID card, consequences will be assigned even if that student reports to the Dean prior to first period. Temporary ID cards must be returned to the Dean of Student Formation at the end of the school day.

If an ID card is lost, it must be replaced at a \$10 cost. If an ID card is broken, it must be replaced at a \$5 cost. Students should make payment for replacement ID cards at the Business Office window and take their receipt to the Technology Office. Replacement ID cards will be available one school day after payment is received.

Electronic Devices and Cell Phones

The learning process in a safe, secure Catholic, Christian atmosphere is paramount – anything which prevents such an experience for any or all students will be handled appropriately. To protect the individual's privacy and rights, students are forbidden to take pictures of school employees or other students without their explicit written permission. Posting any pictures on public or private websites without permission may result in suspension and possible expulsion.

Brother Rice reserves the right to confiscate any electronic devices and/or cell phones being used during school hours, being used without permission and/or being used for no educational purpose. If confiscated, the device(s) will be taken to the Dean of Student Formation and be placed in the school safe and only an administrator will release it.

Electronic Devices: Brother Rice High School utilizes an iPad system for all its students and faculty. Therefore, non-approved electronic devices including, but not limited to, smart watches, personal iPads, iPods, tablets and laptops should not be used throughout the school day without permission from the teacher or moderator and should only be used to further the learning process. Students should not access inappropriate websites, play games or participate in other activities that have no connection to education.

Cell Phones: Cell phones are not a requirement of the learning process and are not to be utilized anywhere on campus during school hours. If a student chooses to bring a cell phone to school, it must be turned off and remain out of sight. If a student's cell phone is seen or heard, it may be confiscated even if it was not being used.

Accessing and interacting with a cell phone via Apple watch or other smart watch is not permitted and may result in both devices being confiscated.

Headphones of any type (over ear, on ear, and in ear) may not be worn/used during class exchange.

Any student whose device is confiscated will be subject to the following:

First Offense: One (1) detention and the student's device will be returned at the end of the next school day.

Second Offense: One (1) Saturday detention and the student's device will be returned to a parent/guardian at the end of the next school day. If a parent/guardian cannot come on that day, the device will be held until they are able to come to the school after that day.

Third Offense: A one (1) day in-school suspension and the student's device will be returned to a parent/guardian following a mandatory meeting. The device is banned from campus for the remainder of the school year.

Subsequent Offenses: The student is suspended from school and extra-curriculars until the Disciplinary Committee has considered the student's future at Brother Rice.

Teachers may collect electronic devices and/or cell phones during testing situations as they deem appropriate. In these instances, the devices will be returned at the end of the class period.

Refusal to surrender electronic device and/or cell phone to a faculty or staff member when instructed to may result the student being suspended from school and extra-curriculars until the Disciplinary Committee has considered the student's future at Brother Rice.

As with all personal property, Brother Rice is not responsible for any lost or stolen electronic devices and cell phones. Students who choose to bring devices assume responsibility for it at all times.

Social Media

The new digital technologies are, indeed, bringing about fundamental shifts in patterns of communication and human relationships...The desire for connectedness and the instinct for communication that are so obvious in contemporary culture are best understood as modern manifestations of the basic and enduring propensity of humans to reach beyond themselves and to seek communion with others. In reality, when we open ourselves to others, we are fulfilling our deepest need and becoming more fully human. Loving is, in fact, what we are designed for by our Creator.

~Pope Benedict XVI, 2009 World Communications Day

Students are representatives of Brother Rice both in and out of school, in the real world and the virtual world, and thus, students should aspire to represent the mission and values espoused by Brother Rice High School at all times. Students will be subject to appropriate disciplinary action for on and off campus internet use, including, but not limited to, cell phones, websites, emails, blogs, Twitter, SnapChat, Facebook, Instagram, YouTube, Vine and where such use causes, or is likely to cause, a negative effect on the general safety and welfare of teachers, staff and/or students, both of Brother Rice and other schools, or on the good order and functioning of the school.

Sexting, defined as the act of sending and receiving sexually explicit messages, should not be participated in under any circumstances. Due to the nature and seriousness of the issue, any student found to be sexting, even those forwarding images sent to them, will immediately have their device confiscated and their parents/guardians will be contacted. Considering the ages of the students, there exists a strong likelihood any explicit images sent and/or received may involve a minor and therefore local law enforcement will be notified.

Cafeteria

Each student is to clean up after himself. At the discretion of the Dean of Student Formation, students with disciplinary problems may be required to help keep the cafeteria clean during part of their lunch periods.

Running, making unnecessary noise, throwing food, leaving trash and litter, and/or any behavior deemed disorderly or inappropriate by the cafeteria supervisors are not permitted. Failure to adhere to cafeteria expectations may result in detention(s), loss of full lunch period(s) and/or any consequence deemed appropriate by the Dean of Student Formation.

Students must pay for their food prior to taking it away from the cash register area and/or prior to eating it. Failure to do so will result in detention(s) and/or suspension(s). Stealing food or beverages from the cafeteria will result in immediate suspension up to and including expulsion.

Water may be drank anywhere in the building other than the chapel, the prayer room, the science labs, and computer labs. It must be in a clear, colorless bottle. Students are encouraged to purchase a refillable bottle rather than use disposable bottles.

No food is allowed outside the cafeteria in the halls and rooms in the Academic areas, the Activity Wing or the Gymnasium. There is no eating outside the cafeteria.

Gum chewing is not permitted in the school building.

Parking Lot and Motor Vehicle Regulations

1. Students driving to school must have a current, valid Brother Rice Parking Permit. These are available from the Bookstore.
2. Students must register any vehicle they may drive to school and the Parking Permit may only be used with the registered vehicle(s). To change the vehicle's registered, students should see the Bookstore.
3. **Students who drive to school must park on school property in the numbered parking space matching their Parking Permit.** Students who park without a Parking Permit, use an expired or invalid Parking Permit, parking not in their designated space, at St. Regis, Marian, the neighboring subdivisions or in undesignated or non-student spaces may result in their vehicle being towed away at the student's expense.
4. Speeding, reckless driving or making excessive noise on school property may result in loss of driving privileges. The speed limit on school property is 5 MPH
5. Students may not go to their vehicles or be in the parking areas during the school day without an escort from Security.
6. Students may not change clothes in or around a car parked in the parking lot.
7. Loitering, playing, running, ball playing, etc. in parking lots before, during or after school is not permitted.

Under no circumstances should a student park in a numbered spot that does not match their Parking Permit. In the event there is a vehicle parked in a student's designated space, the student must park in the row adjacent to the football field in the northeast corner of the parking lot and immediately inform the Dean of Student Formation upon entering the school. Failure to do so may result in the student's vehicle being towed away at the student's expense.

To ensure the safety and welfare of the students and parents/guardians of Brother Rice, Marian and St. Regis, students are expected to follow all Michigan laws pertaining to operating a vehicle. Driving in a reckless manner is strictly prohibited. Any student who does so may receive multiple detentions, suspension of driving-to-school privileges, suspension from school, being ticketed by local law enforcement and/or the requirement to take a remedial driver's education course at the student's expense. Damage to automobiles on school property is to be covered under the owner's vehicle insurance policy.

Student parking on campus is considered a privilege and may be revoked by the Dean of Student Formation for infractions of school policy for some or all of the school year and no refund will be provided for the purchase of the Parking Permit.

Cheering/Fan Behavior

The student section at Brother Rice events is a source of great pride to the community and support for the teams. Behavior at events, whether on campus or not, must be consistent with the school's mission statement as the students are representatives of Brother Rice High School. Any verbal, written or physical conduct related to race, gender, ethnicity, disability, sexual orientation or religion shall not be tolerated. Any student displaying any of the aforementioned, or any other topic deemed inappropriate, toward their own school and/or athletes, the competing school and/or athletes and/or event's officials will be removed from the event and face disciplinary action upon returning to school up to and including expulsion.

Restricted Areas

Gym: Due to possible injury or damage to property, students are not to be in the gym, weight room and/or locker room without faculty or staff supervision.

Boiler Room: Fire regulations prohibit students from having access to the boiler room and therefore students are not to use the doors which adjoin this area at any time.

Marian/St. Regis/Other Schools: Brother Rice students may go to Marian for any classes they attend there. However, at other times, they should not be in Marian, St. Regis or any other school before, during or after the school day. Failure to comply may result in suspension. If serious business must be conducted, written permission must be obtained from the Dean of Student Formation. The Marian parking lot and the grassy area between Marian and Brother Rice are included in the restricted area.

Theft

Theft is a violation of the trust on which a Christian community depends. Theft of school property, of faculty or staff member's property or a fellow peer's property may result in immediate expulsion. Students possessing property not belonging to them, especially stolen property, may face consequences for theft. Although theft is contrary to the values of Brother Rice High School teaches and expects, students must take precautions against theft on campus. Brother Rice High School is not responsible for student's lost or stolen property.

Weapons and Dangerous Items

Students may not use, possess, conceal, sell, distribute or bring on to Brother Rice property or to any school-sponsored activity any materials or items that are dangerous, illegal, inappropriate or disruptive to the educational process or to any athletic or school-sponsored activity. Examples include, but are not limited to, the following: illegal drugs (including prescribed and over-the-counter medications used in an inappropriate manner), alcohol, firearms, a knife with a blade three inches or longer, dagger, box cutter or similar item and explosives. Use of any weapon or similar item in a threatening or assaulting manner is strictly prohibited and any weapons, drugs or dangerous items will be confiscated by Brother Rice. Possession, use, sale, or distribution of a toy weapon, a look-alike or replica of a weapon or dangerous item is prohibited except with the prior approval by the Principal for appropriate educational use. The decision whether items are dangerous, inappropriate, disruptive or are used in a threatening or assaulting manner is within the sole discretion of the school. Violation of this will result in disciplinary action, up to and including expulsion, law enforcement involvement and full compliance with any mandatory reporting obligations.

In an effort to maintain a safe environment for students, Brother Rice also requires that parents/guardians or visitors refrain from carrying or bringing weapons, concealed or open carried, or other dangerous materials onto school property or to school-sponsored events.

Searches in School Buildings or on School Property

The school administration retains control over lockers and desk space loaned to students and regulates admission and parking of automobiles on school grounds. Therefore, if there is reasonable suspicion that drugs; weapons; dangerous, illegal, or prohibited matter; or stolen goods are likely to be found, the Principal and/or designee has the right and duty to inspect and search student lockers, desks, book-bags, personal electronic devices and student or non-student automobiles. The school Principal and/or designee, in exercise of the school's duty to enforce school discipline and to protect the health and safety of the student body, also has the right and duty to search a student's person if there is a reasonable degree of suspicion that drugs; weapons; dangerous, illegal, or prohibited matter; or stolen goods are likely to be found on the student's person. All items or goods of search may be turned over to the police, resulting in possible criminal or juvenile court prosecution.

D. ACADEMIC INTEGRITY

Respect, Integrity, Character and Excellence are keys to true learning and are the foundation of a Brother Rice Catholic education. Brother Rice strives to build a community of trust that will support student achievement and live up to our standards of Sanctitas Per Scientiam: Holiness through Knowledge. Students who accept responsibility for creating a climate of academic integrity will benefit for a lifetime.

Brother Rice High School requires adherence to the highest standards of conduct in academic and extra-curricular affairs. These standards include the expectation that no student will engage in academic dishonesty. Examples of academic dishonesty include, but are not limited to, the following activities:

1. Taking credit for work that is not one's own, or attempting to do so.
2. Allowing another student to claim one's own work as his/her own.
3. Communicating with another student, physically or via electronic media, during any assessment (i.e. test, quiz) situation.
4. Relaying or accepting information, physically or via electronic media, about an assessment.
5. Using unauthorized supplemental materials (calculators, notes, etc.) in an assessment situation without explicit prior approval from the teacher.
6. Intentionally omitting information.
7. Failing to report students one has witnessed engaging in any of the foregoing activities.

First Offense: A zero (0) on the assignment, parent/guardian contact and a Saturday detention.

Second Offense: A zero (0) on the assignment, a one (1) day in-school suspension, five (5) hours Christian service before returning, and two weeks of Disciplinary Probation beginning when student is eligible to return to school.

E. STUDENT HEALTH

Communicable Disease

It shall be a serious responsibility of a parent/guardian to inform the Administration of Brother Rice by confidential communication from the student's medical doctor any time a positive diagnosis of any reportable communicable disease is obtained on their son. Failure to report a communicable disease will result in exclusion from school with further consequences because of the irresponsible behavior which puts the school community at risk. A communicable disease is defined as follows: "An illness due to a specific infectious agent or its toxic products which results from the transmission of that agent or its products from a reservoir to a susceptible host, directly as from an infected individual or animal host, vector or the inanimate environment" (Michigan Public Health Code 333.5101, Article "A"). "Dangerous communicable disease means a communicable disease which is so designated by the department pursuant to this part" (Michigan Public Health Code 333.5101, Article "B").

The Administration of Brother Rice may, in its sole discretion, suspend a student with a known communicable disease for a reasonable period of time. During the time of suspension, the parent/guardian shall be

obligated to obtain appropriate diagnostic information and furnish it to the Administration of the school and obtain any/all appropriate treatment for the student.

A student who has been suspended by the Administration of Brother Rice pursuant to the preceding paragraph shall be excluded from school and all extra-curricular activities until a physician certifies that the student may return. The Administration shall be guided by the applicable regulations of the Department of Health. The school will provide the suspended student in such a situation with the opportunity to gain access to a tutoring program provided by outside agencies, if the need arises.

Each parent/guardian, student and teacher should inform the Administration of Brother Rice when a student has been exposed to, but not necessarily contracted, a communicable disease.

Illness

Students who have symptoms of pinkeye, strep throat, communicable skin rashes or infections must be excluded from school for at least 24 hours after prescription treatment has started and will only be able to return with a physician note. Students absent from school may not participate in extra-curricular activities. Skin issues must be covered, fevers must be resolved for 24 hours without medication and students must be vomit-free for over 12 hours. The Guidance Department will advise on all mental health issues and should be consulted before a student returns to school.

Any student feeling ill in the morning should stay home. If a student becomes ill in school and it is the opinion of the school that he should be sent home, a parent/guardian will be contacted to pick the student up promptly regardless whether the student drives to school or not.

Sick Bay: Students may report to sick bay only after having written permission from the teacher of the class they are missing (Attendance Officer has forms). Students are allowed to rest for one period only and then must return to class or will be dismissed home by the school. No participation in any school activity for the rest of the day if students leave school early.

Immunizations

Since 1978, state law has required that each student entering a new school in grades 1-12 must have a certificate of immunization at the time of registration or not later than the first day of school. Students will not be allowed to start school if this documentation is not in place on the first day of school. Please contact the Attendance Officer with any questions or concerns.

Medication

Students should only carry medication necessary for emergency situations including, but not limited to, asthma inhalers, Epi-Pens and diabetic supplies. Any student needing to carrying medication in school, in accordance with Michigan Public Health Code, must have that information documented in the Attendance Office.

All other medications brought to school, both prescription and nonprescription, must be left in the Attendance Office with the proper forms on file. These medications may only be dispensed from the Attendance Office according to the instructions indicated on the signed doctor's note.

F. SUBSTANCE ABUSE POLICY

Brother Rice High School strives to provide a smoke- and drug-free environment for the academic, spiritual and emotional development of students, faculty and staff, and will adopt and apply rules and guidelines to implement this Policy.

Any student who possesses tobacco, alcohol or illegal drugs poses a threat to the health of young people and creates an obstacle to his full development as a Christian person. Counseling and other preventative approaches are available at Brother Rice High School to assist students in coping with the problem of chemical dependency. The use of prescribed drugs must be consistent with the school's policy and in accordance with doctor's directions.

Rules and guidelines directed to any student who possesses or is under the influence of narcotics, marijuana, barbiturates, amphetamines, hallucinatory drugs, performance enhancing drugs, etc., or alcohol will (a) apply to student conduct on and off campus; (b) encourage and promote rehabilitation; (c) provide progressive discipline, recognizing that some chemical substances are addictive and relapses can and do occur; and (d) utilize expulsion of students as a last resort.

In drafting and applying rules and guidelines dealing with students who use chemical and regulated substances, the Administration shall consider, as a factor, the reputation of Brother Rice High School, which should be known as an institution which promotes the academic, spiritual and emotional development of all students, and is not intolerant of youthful, correctable indiscretions, including those involving the use of chemical and regulated substances.

Guidelines For Substance Abuse

Since chemical use, problems and dependency are of a progressive nature, these offenses accumulate throughout a student's entire enrollment period at Brother Rice. However, each violation of the Substance Abuse Policy as listed below will be addressed individually.

The Principal may depart from strict application of the rules and guidelines dealing with chemical and regulated substances as they deem appropriate in individual cases to fulfill the spirit of this policy, the Essential Elements or the mission of Brother Rice. The Principal, in all events, reserves the right to expel or suspend any student whenever the distribution, use or possession of alcohol or substances is involved. In its discretion, the school may involve local law enforcement authorities whenever it considers it appropriate to do so.

Brother Rice High School reserves the right to require a screening for alcohol and drugs at the cost of the student if there is reasonable suspicion that a student is under the influence of a controlled substance. This screening includes, but is not limited to, the standard test materials used for random drug testing, the use of a certified breathalyzer device, or any other test or method deemed necessary by the Brother Rice administration.

By acceptance of enrollment, students and their parents/guardians consent to and authorize all reasonable action on the part of school authorities to enforce this rule including, but not limited to, the utilization of searches, questioning, and other investigative tools.

While on school property or at school-sponsored events, a student enrolled at Brother Rice may not use or possess tobacco products including, but not limited to, cigarettes, e-cigarettes, vapor pens, cigars, chewing tobacco, powdered or pulverized tobacco for use in pipes or other smoking paraphernalia. Violation of this will result in the following:

First Offense: A one (1) day in-school suspension, parent/guardian contact and the student is placed on a tobacco education plan.

Second Offense: A three (3) day in-school suspension, second parent/guardian contact and the student must complete a tobacco education project with Brother Wielatz.

- Two-week minimum Disciplinary Probation beginning when the student is eligible to return to school;
- Required completion of the alcohol abuse counseling program
- Possible expulsion

In the event a student receives a Minor in Possession (MIP), the student and family are expected to notify the school and the Dean of Student Formation prior to law enforcement reporting. If this is done, there will be no additional consequences beyond the aforementioned set forth by the school.

Marijuana: Any situation in which a student is caught using marijuana (currently or in the past), on or off campus, will result in:

- Suspension from school until the student is enrolled in a drug abuse counseling program at the student's cost and a parent/guardian meeting has taken place;
- Retesting at the student's expense until clean;
- Two-week minimum Disciplinary Probation beginning when the student is eligible to return to school (student will remain on Disciplinary Probation until clean, even if beyond the two-weeks);

- Possible expulsion

Prescription Drugs: Any situation in which the student tests positive through a 10-panel test for prescription drugs will result in:

- Suspension from school until the student is enrolled in a drug abuse counseling program at the student's cost and a parent/guardian meeting has taken place;
- Retesting at student's expense until clean
- Two-week minimum Disciplinary Probation beginning when the student is eligible to return to school (student will remain on Disciplinary Probation until clean, even if beyond the two-weeks);
- Required completion of the drug abuse counseling program
- Possible expulsion

Proper use of a drug authorized by a medical prescription from a registered physician shall not be considered a violation of this rule so long as the parent/guardian and student follow the proper protocol outlined in the Student Health section. A student on such medication must provide the administration with written notification from the parent/guardian and a signed doctor's note if the medication is to be brought onto, consumed, or utilized on campus or at any school-sponsored activity.

Heavy Drugs: Any situation in which the student is caught using (currently or in the past) narcotics including, but not limited to, heroin, cocaine, LSD, barbiturates, amphetamines, etc., on or off campus, will result in:

- Two-week minimum Disciplinary Probation beginning when the student is eligible to return to school (student will remain on Disciplinary Probation until clean, even if beyond the two-weeks);

The use of banned substances will subject the student to the same consequences that the school has established for Heavy Drugs. For a complete list of banned substances, refer to the NCAA website (www.ncaa.org/health-safety)

Distribution and/or Sale of Substances: Distribution, sale or intent to distribute or sell any alcohol, illegal or unauthorized medicines, drugs or narcotics including, but not limited to, marijuana, heroin, cocaine, LSD, barbiturates, amphetamines, Ritalin, inhalants and ecstasy on school property or at school-sponsored events will result in law enforcement involvement and expulsion from the school.

In the event of off campus distribution, sale or intent to distribute or sell any substance mentioned above, the school will investigate and take appropriate action.

Drugs and Alcohol and International Travel: While the laws of other countries may differ from the laws of the United States, students are expected to lead a life with the values of a good Christian and their actions should always reflect the Brother Rice High School mission. Due to this, the substance abuse policy and consequences applies to Brother Rice High School students no matter what soil they stand on; foreign or domestic.

G. HARASSMENT AND ANTI-BULLYING POLICY

Brother Rice High School is committed to promoting a safe, healthy, caring, spiritual and respectful learning environment for all of its students. The school is committed to protecting its students from bullying and/or harassment. As such, bullying and/or harassment are strictly prohibited, will not be tolerated and shall be just cause for disciplinary action. - placing a student in reasonable fear of damage to or loss of personal property;
- creating an intimidating or hostile environment that substantially interferes with a student's educational opportunities of the Catholic mission of the school; or
- disrupting the orderly operation of the school.

Definitions

The definitions hereunder apply to any student who either directly engages in an act of bullying and/or harassment or who, by their behavior, actions and/or conduct, supports another student's act of bullying and/or harassment.

Bullying is unwanted, aggressive behavior that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Bullying results in physical hurt or psychological distress of an individual. Bullying is unwanted purposeful written, verbal, nonverbal or physical behavior and/or actions, including but not limited to, teasing, name-calling, slurs, rumors, jokes, false

accusations, intimidation, threatening, stalking, innuendos, demeaning comments, pranks, social isolation, gestures, public humiliation, theft, destruction of personal property, physical violence, cyber-bullying and cyber-stalking.

Though an incident of alleged bullying and/or harassment occurs off Brother Rice's campus and may not entail threats of acts to occur during school hours, disciplinary action may be issued if a student's ability to receive an education or a school's ability to provide an education is significantly impaired as determined by the school's administration.

Reporting Complaints

Each student, parent/guardian and/or any other member of the Brother Rice's community has a duty to immediately report any incident of bullying and/or harassment to the Dean of Student Formation. The Dean will provide the reporting party with the Bullying, Harassment, or Intimidation Reporting Form which must be completed, dated and signed by the reporting party so that the school may initiate further inquiry and investigate when appropriate.

Disciplinary Action

Concluding whether a student's action, conduct, behavior or a particular incident constitutes a violation of this policy requires a determination based on the facts and circumstances of each complaint, followed by the determination of disciplinary sanctions. Any student found to have violated this anti-bullying policy will be subject to the appropriate disciplinary action, which may include, but is not limited to, temporary removal from the classroom, loss of privileges, Disciplinary Probation, detention, counseling, parent/guardian meeting, suspension, expulsion and/or notification to appropriate authorities. The disciplinary action

may be unique to the individual incident and may vary in method and severity based on the school's sole discretion.

False reports or accusations of bullying and/or harassment also constitute a violation of this anti-bullying policy and will subject the offending party to appropriate disciplinary action.

Retaliation against anyone who, in good faith, reports perceived harassment or discrimination, or participates in an investigation of a complaint is not permitted and will subject the offending party to the appropriate disciplinary action.

H. DISCIPLINARY POLICIES

The discipline system at Brother Rice High School follows directly from the school philosophy with its emphasis on Christian communication, community and commitment. Discipline is the very basis for learning. Students at Brother Rice are expected to conduct themselves as Christian men within and outside of the school.

A Disciplinary Committee composed of the Vice Principal, the Dean of Student Formation, the Director of Guidance and a Guidance Counselor reviews major infractions of school policy and regulations and makes recommendations to the Principal. Final action taken is determined by the Principal.

Teachers address discipline issues within their classrooms and students are expected to follow the directions of the teacher. In the event a student is instructed to report to the Dean of Student Formation's office, they must do so immediately. Failure to do so will be considered a deliberate act of defiance and disrespect and will not be tolerated, resulting in further disciplinary action.

Group/Team/Band/Class Responsibility

Everyone shares the responsibility for the good order of a class, activity, assembly, etc. Due to this, on some occasions, an entire group, team, band or class can be held responsible for disturbing the peace of the school or the community. The teacher, coach or moderator may impose a penalty for all members of the group, team, or class.

Detention

For minor violations against either the spirit or the letter of school rules, students may receive a detention. Detention will be supervised by the Dean of Student Formation or the Dean's designee. Detention is held every school day except Wednesdays from 2:58 p.m. to 3:28 p.m. Students are expected to serve a detention the day it is scheduled for.

- Students must report to the detention room on time and in dress code on the designated day or they will not be able to serve the detention, resulting in further consequence(s).
- A student may request to reschedule a detention one time without penalty. This must be done with the Dean of Student Formation no later than 2:05 p.m. the day the detention is scheduled. Rescheduling is not guaranteed. The Dean's decision will be based upon the validity of the reason.
- Failure to serve a detention on the assigned day will result in a second detention issued and/or a Saturday detention. Consistent failure to serve scheduled detentions may result in further disciplinary action.
- Misbehavior during detention will result in removal from detention and further consequences including additional detentions, Saturday detention and/or suspension.

Students with excessive detentions will be subject to the following consequences. These numbers are for the entire school year and do not start over at the semester.

- 4 detentions: Referral home to parents/guardians
- 6 detentions: Saturday detention
- 9 detentions: Mandatory parent/guardian meeting

- 12 detentions: Referral home and three (3) day in-school suspension
- 16 detentions: Suspension from school and extra-curriculars until the Disciplinary Committee has considered the student's future at Brother Rice

Referrals

A referral is an official notification of a discipline problem issued by the Dean of Student Formation and is mailed to the parents or guardians of the student involved. Referrals are issued at the discretion of the Dean of Student Formation for a single incident of serious misconduct or for repeated violations. **Any serious behavioral violations that create a pattern of misconduct may result in suspension and/or expulsion.**

Saturday Detention

The Dean of Student will notify those students who must serve a Saturday detention. Saturday detention will be served on campus from 8:00 to 11:00 a.m. Students will be supervised by the Dean of Student Formation or the Dean's designee and should come prepared to work outside the building or study. Failure to report for a scheduled Saturday detention may result in being placed on Disciplinary Probation and subject to further detentions and/or suspension.

Suspension

When a suspension is issued, the parents/guardians and the student are notified of the situation and of the date(s) the suspension is to be served. The Dean of Student Formation may meet with the parents/guardians and the student to discuss the situation and the student's future at the school. Suspensions may be either in-school or out-of-school. For more extreme circumstances, an out-of-school suspension will be issued. Students who are suspended are responsible for all coursework.

In-school suspension:

1. The student will not attend classes on the day(s) of the suspension.
2. The student will report to the Dean of Student Formation for assignments.
3. While on in-school suspension, the student will lose all privileges but will receive full credit for all classwork, homework, quizzes and tests.
4. The student may not attend or participate in any school-sponsored athletic or extra-curricular activities for the day(s) of the suspension. Additional time may be added for more severe infractions.

Out-of-school suspension:

1. The student will not be permitted on campus.
2. Students are responsible for all work missed upon return to school and may not earn more than 60%.
3. The student may not attend or participate in any school-sponsored athletic or extra-curricular activity for the day(s) of the suspension.

Disciplinary Notice

Students on Disciplinary Notice have demonstrated a disregard for the Brother Rice Code of Conduct. Disciplinary Notice is formal communication that continued misbehavior will result in being placed on Disciplinary Probation.

Disciplinary Probation

Students on Disciplinary Probation are not allowed to participate in or attend any Brother Rice extra-curricular activity including but not limited to clubs, sports and honor societies. The Dean of Student Formation will determine that length of time a student will be placed on Disciplinary Probation.

Expulsion

Expulsion is the ultimate disciplinary action taken against a student in which he is dismissed from Brother Rice High School. This decision will be made by the Principal after conferring with members of the Disciplinary Committee unless the student in question's actions warrant immediate expulsion, as determined by the Principal.

The student and his parents or guardians have the right to appeal the decision of expulsion. This request must be made in writing to the Principal within five (5) business days of the date of the Principal's decision. Parents/guardians forfeit the right to an appeal if the written appeal is not made within this time frame.

The appeals team is convened within five (5) business days of receipt of the parents/guardians written request. Their purpose is to review the decision that resulted in expulsion. The student and his parent/guardian may not speak in front of the appeals team.

The recommendation of the appeals team and the action taken will be communicated to the Principal by the Dean of Student Formation. The Principal of the school retains the right to accept or decline the recommendation. The final action will be documented and placed in the student's file with a copy mailed to the parents/guardians.

Civility Policy

All members of the Brother Rice community are expected to act in a civil and courteous manner towards one another. An environment of mutual respect must prevail for parents/guardians, faculty, staff, coaches and students to effectively work together. The administration endorses the concept of chain of command in resolving disputes. Students and parents/guardians should first communicate with the individual teacher or coach. After a discussion with the teacher or coach, Department Chairs, Dean of Student Formation, Vice Principal or Athletic Director can be consulted. In all cases, a spirit of respect and civility by all parties involved is essential to the resolution of disputes. By enrolling at Brother Rice, both parents/guardians and the student agree that they will comply with the standards for behavior that are essential to a Catholic educational institution.

Communication

The importance of home-school communication is evident. The Marketing Office produces emails each month and print publications throughout the year for distribution to the entire Brother Rice community. These publications are also posted on the school's website. With suggestions or items of interest for these publications, contact the Marketing Coordinator.

A parent/guardian may contact a teacher at Brother Rice by using the following address: *teacher's last name*@brrice.edu. A complete phone listing may be found on Brother Rice's website (www.brrice.edu).

Change of Address

Families who change their residence, mailing address, email address or telephone number after enrollment should immediately report the change(s) to the Main Office so all records may be promptly corrected.

Parents' Clubs

The Moms' and Dads' Clubs promote cooperation and enthusiastic participation among the various people concerned with Brother Rice. These clubs give support to various school-oriented activities and sponsor many different events throughout the year – religious, athletic, academic, fundraising and just plain "fun".

The success of the school's various projects can certainly be attributed to the involvement of so many Brother Rice parents/guardians over the past years. All parents/guardians are invited to be active members of the Moms' and Dads' Clubs and to participate in helping to provide support for Brother Rice High School.

Parent/Guardian Service Hour Program

In line with the Three Party Partnership for Excellence, Brother Rice High School strongly believes that the education of our students is a partnership with our families. Every family is expected to perform service hours for the Brother Rice community, helping to accomplish the common goals in providing a solid Catholic education and a healthy, safe and attractive atmosphere in which to learn.

Guidelines – Each family with a student registered at Brother Rice High School is required to volunteer ten (10) service hours annually. The service hours must be completed or scheduled (for an end-of-the-year event) no later than the first week in May. Any hours not fulfilled will be billed at \$10/hour after this day.

Volunteer Hours - Volunteer hours count towards the family obligation if the activity directly benefits Brother Rice High School. Approved activities include Parent Club and/or Advancement Department sponsored events, sports activities or extra-curricular activities. If there are any questions about whether an activity qualifies, please contact the Michelle Lievois at 248.833.2013 before performing the volunteer hours. Families will find many opportunities to fulfill service hours at school events that will be communicated throughout the school year.

A maximum of five (5) service hours may be counted for supporting an athletic team, club or extra-curricular.

Parents/guardians who work directly with students are required to complete Virtus Training (Protecting God's Children) and complete a background check.

SURVEILLANCE CAMERA POLICY

The administration of Brother Rice High School has great concern for the safety of all students, faculty, staff and visitors on school property. To better provide a safe and healthy environment, surveillance cameras are used. Areas under surveillance may be recorded at all times. Video surveillance is viewed as being useful in enhancing the safety of students, faculty, staff and visitors. Protecting school property against theft or vandalism and aiding in identification of intruders and of persons breaking the law. Only individuals authorized by the administration or designee may view surveillance video. In addition, discipline measures for information derived from video surveillance may result in a conference, detention, suspension, expulsion, and parent/guardian and/or law enforcement notification depending on the nature and severity of the situation.

CHILD PROTECTION POLICIES

On May 4, 1990, the Board of Directors of Brother Rice examined, adopted and promulgated two policies regarding "Child Protection" and "Child Abuse and Neglect". The first policy concerns itself with any faculty and/or staff person alleged to be involved in the abuse of a child in school either emotionally, sexually or physically. The second policy deals with a faculty and/or staff person suspecting "Child Abuse and Neglect" by either a parent or guardian. State Law of Michigan mandates reporting incidents of both abuses. The full and entire document is available to each family upon written request made to the Principal.

MEDIA CONSENT

Brother Rice High School showcases a myriad of talents, accomplishments, and achievements of its students within the internal publications, external marketing pieces, on the school's website and through social media as well as opportunities in local media outlets via press releases.

If parents/guardians wish to prohibit all contact their son has in and with the media, they must contact the Dean of Student Formation. Otherwise, the school will presume that parents/guardians permit their son, his picture, and/or his work to be used in the media under the school's supervision. However, the school has control over the media only in the publications it produces and in photographs and official Brother Rice press releases where members of the media request permission to be on campus. In other situations, such as off-campus events, the school will not normally be able to prevent student contact with the media.

Students representing Brother Rice or identified as students from Brother Rice High School should not be interviewed by any member of the media without consent from the principal and from their parents/guardians. Students may not say or do anything recorded, printed, or broadcast by the media that may be harmful or scandalous to the Brother Rice community or to any member of the community.

Consequences for violation of this may be a warning, detention, Saturday detention, suspension up to and including expulsion, or any other consequence deemed fitting for the severity of the offense.

By assuming the status of a Brother Rice High School student, I am aware of my commitments and responsibilities as a representative of Brother Rice High School and our community.

I accept and understand the impact of my actions and behaviors at all times, and how these actions and behaviors reflect upon our school and community as a whole.

I will do all that I can through my words and actions to support the fine tradition for which the Brother Rice community stands.

A WARRIOR reaches for a goal knowing any goal is within his reach, yet he remains steadfast in the knowledge that any goal he seeks is a sacred personal trust, a vow on which he will never turn back, never give up.

A WARRIOR realizes many have the will to achieve a successful end but only very few possess the will to work for the achievement of the end. He knows progress toward the successful end lies in the discipline of endeavor, and he knows the crucial key to discipline lies in his own positive state of mind.

A WARRIOR knows the value of discipline because he has found no goal can be achieved without sacrificing mind and body in concentrating his entire energies to a successful end.

A WARRIOR stands proud in quiet determination; he is proud of the price he has paid for the progress he has made, quiet because he is aware of the price of further progress, and determined to pay any price to attain his goal.

A WARRIOR respects every obstacle blocking his success for the threat it poses, but he fears none of these threats.

A WARRIOR is gratified by his accomplishments, yet sobered by the realization that complacency will render him stagnant, unproductive.

A WARRIOR is somber in his setbacks yet encouraged by the challenge that the greater achievement lies not in never failing but in rising again after he falls.

A WARRIOR is confident yet humble because he knows it is not just a game he is playing. It is a life he is living, and the true score lies not in what he accomplishes but in what he learns.
