Mock Interview Day – Thursday, January 17, 2019**

2019 Summer Student Program - Southeast MI (All Majors)

Location:

Detroit, MI, US

Company: DTE Eng Corp Svcs LLC

Job ID:563

The future is bright at DTE Energy! We are one of the largest Fortune 500 diversified utilities in the United States with an aspiration to be the best-operated energy company in North America and a force for good in the communities we live and serve. We have businesses in 26 different states and are comprised of regulated utility and non-utility businesses. Our utility business provides electric and gas service to approximately 3 million customers. Our non-utility businesses include a diversified portfolio of energy related companies, ranging from gas storage and pipelines to renewable power development.

DTE Energy's utility and non-utility businesses are poised for significant growth. We look forward to working with highly motivated and team-oriented individuals to energize our efforts of growing economically and environmentally.

Recently, DTE Energy has been recognized as an outstanding place to work and has received the following accolades:

- * Gallup Great Workplace Award for consecutive years
- * Civic 50 Award for corporate citizenship excellence
- * Indeed's annual "50 Best Places to Work" award for two years running
- * Metropolitan Detroit's 101 Best and Brightest Companies to work For
- * J.D. Power Customer Satisfaction Award
- * Professional Women's Magazine/Black EOE Journal "Best of the Best"
- * Computerworld's 100 Best Places to Work in IT
- * Best Employers for a Healthy Lifestyle Gold Award
- * Detroit Free Press Green Leaders Award

DTE Energy is an equal opportunity employer and considers all qualified applicants without regard to race, color, sex, sexual orientation, gender identity, age, religion, disability, national origin, citizenship, height, weight, genetic information, marital status, pregnancy, protected veteran status or any other status protected by law.

External Pre-Hire Assessment Required: Not Applicable

Job Summary:

This is a summer only student opportunity.

Key Accountabilities

DTE's popular Summer Student Program is now accepting applications for students interested in working for DTE during the upcoming Summer. To make the application process easier, we have streamlined all Southeast Michigan, non-union jobs to this posting (except for our Fermi Nuclear location). If you want to get professional experience, preferably in a field of your study, all you need to do is apply to this posting - regardless of your major. For those who are interested in working at the Fermi Nuclear Facility, please apply to their separate summer job posting (s).

During the application process, you will be asked a series of questions. These questions will be used to best match your interests and background to one of our hundreds of opportunities. Our goal is to match you with an opportunity that will help enhance your education. Please make sure to answer all the questions, so we can make the best match possible.

Recruiters will begin reaching out to students from December through March, of the following year. All students will be notified, whether they have been accepted, by the end of April. Students will either begin working in May or June . Summer Student employment typically ends in August. Students participating in Summer Student program must end their employment, no later, then after 120 calendar days from their start.

Degrees typically hired by DTE for the Summer Student program, include, but are not limited to: Engineering (all types), Science (all types), English, IT Related, Communications, Journalism, Forestry, Business Admin/Mgt, Accounting/Finance, Math/Stats, GIS, Geography, Construction Mgt, Metrology, Media Arts related, Human Resources, Marketing, Economics, Undeclared Majors, etc...

For more information on our program, please visit the Student Employment section on our career webpage.

Minimum Education & Experience Requirements:

- Must have an active student status, in college, during period of work (attending school in the two terms leading up to the summer employment). Those individuals who graduate from college, prior to starting work, are not eligible for the program.
- Both undergraduate and graduate students are eligible to participate in the program.
- Have a 2.5 minimum, cumulative GPA.
- College students will be asked to provide an official transcript as proof of eligibility prior to receiving an offer letter of employment. High School Seniors will be asked to provide a college acceptance letter prior to receiving an offer letter of employment.

Other Qualifications:

- Seniors graduating from high school, who will be attending college in the Fall term, are eligible to participate, if they meet age requirements.
- All students must be, at least, 18 years of age by the time they start working in May or June of to be eligible.
- Some positions will require driving. Those positions will require the student to have a valid driver's license, a reliable means of transportation and an acceptable driving record.
