

Brother Rice High School Christian Service Form

This form is only used to gather information, all service hours will be recorded on the X2Vol Platform on your Naviance Account.

You must get your contact's email address in order to get your service verified.

“Were we to know the merit and value of only going from one street to another to serve a neighbor for the love of God, we should prize it more than gold or silver.”

-Blessed Edmund Rice

CAMPUS MINISTRY

Brother Rice Christian Service Program

REQUIREMENT: Brother Rice High School encourages all students to have a diversity of Christian Service experiences. The program requires each student to perform 20 hours of service per year, 3 of which will be earned through participation in the all-school service day in the Spring. Students MAY also complete a maximum of five (10 for freshmen only) of the required hours by doing work at the school, serving at functions such as the Open House or Auction, acting as a host to a visiting middle school student, or in any other approved capacity at the school itself. All other hours must be done outside of the school, working in association with a church, health care facility, or approved CHARITABLE organization. Work may be completed during the summer months and applied to the following academic year. Hours may not be carried over from year to year.

DUE DATE: ALL service work MUST be completed by May 3rd, 2021, or suspension will take place until work is completed

VERIFICATION: Students record their service on the X2VOL service platform using your Naviance account. A verification email will be sent to your service site and supervisor and then they will verify your service work with them. You must gather your contact's email address for service to be verified by the X2Vol platform.

NOTIFICATION: Notification of available service projects will be done via school announcements and parent emails

QUESTIONS: Any questions about service work should be directed to the Campus Ministry Office, at 248-833-2271
