

Welcome Warrior Dads!

As you are blazing forward into the next chapter for your sons, we want you to know that the Brotherhood extends to us Dads as well. By sending your sons to Brother Rice, you are automatically a member of the Brother Rice Dads' Club, for FREE!

What do we do?

We gather throughout the year for fellowship, food, drinks, and more. We invite speakers to share with us a variety of topics from the **college admissions process, sports recruiting, mental health, and law enforcement/hazards our boys face**, to name a few.

We also organize father-son bonding events, such as our Sporting Clays event, as well as community service projects like volunteering with Pontiac Meals on Wheels, and more.

Please see the following schedule and pay attention to your email and the announcements for more information. Additional dates and events may be scheduled.
